Dear Name,

After reviewing our records, we find that you have not made a deposit to or a withdrawal from your account for at least three years.

The Texas Unclaimed Property law requires that we forward the balance in all inactive and dormant accounts to the state comptroller for safekeeping if there has been no activity for three years.

Therefore, you will need to make a deposit or withdrawal prior to May 31, 2023 or your account will be considered abandoned and subject to escheat. We will be required to close your account and remit your funds to the State. If for some reason you cannot make a transaction, you can contact us or sign and return the bottom portion of this letter to remove your account from the dormant status. It is very important that you act before May 31, 2023.

We appreciate your membership and hope you will take this opportunity to reacquaint yourself with the many credit union services and the great loan and savings rates that we offer.

If you have any questions, please call us at 409-898-3770 or 1-800-456-4684.
